PROFILE

I love taking on new challenges and helping others. As an Interior Designer, I've challenged myself to make a career change in becoming a professional UX designer. I was inspired that I will be able to help others by using digital technology and design.

SKILLS

Figma
InVision Studio
Adobe Photoshop

EXPERIENCE

Designer and Project Coordinator | Reco Decoration Group Inc.

AUG 2019 - JAN 2022, RICHMOND, BC

- Produced digital designs that illustrate optimal client experiences, deliverables including layouts, shop drawings and 3D models using AutoCAD and SketchUp.
- Collaborated with architects, engineers and clients with small and big projects across the province through conference calls and virtual meetings on Zoom and Microsoft Team.
- Explored ideas in order to create and assess solutions based on research data, goals and requirements.
- Traveled for work when required.

Design Consultant and Sales Associate | Moe's Home Collection

AUG 2018 - AUG 2019, COQUITLAM, BC

- Provided free in-home design consultation to customers to understand the client's problems to generate ideas and solutions.
- Evaluated customer's needs, and provided digital moodboards and layouts using AutoCAD and SmartDraw to present ideal virtual interior space.

Interior Stylist and Sales Associate | West Elm

OCT 2017 - AUG 2018

- Performed one-on-one free design service in store and at customer's home to understand their problems and requirements to recommend store products.
- Worked with the team to identify the jobs to do, tasks and goals.
