## EXPERIENCE

---

### Administrative and Production Assistant MK Victoria, BC

November 2018 - March 2020

- Assisted in the optimization of product management and increased the average output by two thirds in the first year, at a small locally own start up company
- Implemented better practices of product management techniques while using woo commerce
- Increased Search Engine Optimization Scores for WordPress site.

### Fifth Street Bar and Grill | Victoria, BC

January 2018 - October 2018

- Delivered exceptional service to guests
- Determination and great work ethics helped me to maintain guest satisfaction at a very busy high volume restaurant and pub
