PROFILE

Building state-of-the-art, easy-to-use websites is truly a passion of mine. I am passionate about web development because it offers a ton of room for creativity as well as challenges in the technical aspect. Moreover, the fact that there is always something new to learn brings me to this point.

SKILLS

HTML5, CSS + Bootstrap, MDBootstrap, Sass, JavaScript, React JS & JSX, SQL, Node.js, Express.js, Passport.js, jQuery, Jest, Git, API Data Handling (Axios, Postman), RestAPI, Jest, Figma, Adobe XD, Canva, Invisio, Agile methodology, Jira, MS Office Suite
