## PROFILE

I am a Full Stack Web Developer excited to break into the tech world. My combination of hard and soft skills have made me successful working in the bike industry and as a photographer. I believe this balance of technical skill and clear communication to navigate client relationships and work collaboratively within a team creates a foundation for success in web development.

## SKILLS

Javascript, HTML5, CSS, SASS, React, Postman, VS Code, Axios, GitHub, Document Object Model(DOM), Node.js, Express.js, MySQL, KNEX, Web APIs, User Authentication, OAuth, Agile, Heroku, Jira, Jest

## EXPERIENCE

---

### Board of Directors/HR Director | Urbane Cyclist Worker Co-op

June 2017 - 2022, Toronto, ON

- Implemented a new strengths based approach to employee management in collaboration with department leads which lead to greater staff retention..
- Collaborated with an external consultant to restructure the co-ops decision making process more streamlined and efficient.
- Oversaw hiring orientation, skill development, supervision, productivity, performance evaluation and exit process of all Urbane's employees.

### Worker Owner/Senior Mechanic | Urbane Cyclist Worker Co-op

June 2014 - 2022, Toronto, ON

- Implemented standard operating procedures to increase productivity of our shop which lead to a 30% increase in profitability..
- Mentored and trained over 20 junior mechanics.
- Completed complex repairs clearly translating my technical knowledge to practical information to allow customers to make informed choices.

### Photographer | Self Employed

March 2012 - 2016, Toronto, ON

- Shot photographs for ING direct, Maple Leaf Foods, Toronto Star, Metrolinx, The Greenbelt Foundation, John St Advertising, Mountain Equipment Co-op, Gripped magazine and Canadian cycling.
- Correspond with Art directors, producers, assistants to bring large scale projects to life.
- Complete photo edits with attention to detail.
- Shoot photos according to customers' mock up.
