-

A graduate of Vanderbilt University with a strong academic background in economics, management, and music. I'm most passionate about exploring areas where creativity, disruptive technology, and data-driven business meet. My interests include music production and guitar.

## EDUCATION

---

### BrainStation | Diploma Candidate, Data Science

JAN 2021 - APR 2021

### Vanderbilt University | Bachelor of Arts in Economics

AUG 2014 - MAY 2018, NASHVILLE, TN

## EXPERIENCE

---

### Artist Management Intern | My World MGMT

AUG 2018 - DEC 2018, NASHVILLE, TN

- Assisted head manager of Nashville in managing 6 different artists.
- Created marketing materials including one-sheets, tour posters, and edited videos for artist promotion.
- Spearheaded digital marketing strategy using facebook ads manager & spotify for artists, resulting in increased artist reach, 35% bump in 2 weeks.

### President | Jugal Vandy

APR 2016 - MAY 2018, NASHVILLE, TN

- Led musical and administrative efforts to raise cultural awareness through world fusion music.
- Performed due diligence on organization finances preventing a \$945.85 overdraft charge, logged in error by Vanderbilt.

### Investment Broker Intern | Objective Equity

AUG 2016, SAN FRANCISCO, CA

- Gathered investor information and created investment fund tracking spreadsheets, for reporting to the CEO of a life sciences company.
- Supported associate and senior-level investment brokers for initial \$10mm capital raise, resulting in \$5mm progress within the internship period.
