PROFILE

I want to be able to blend my creative and technical skills to develop cutting edge technology in this ever changing world. My experience as a baker and an artist gives me a creative perspective when designing functional and beautiful user interfaces.

EXPERIENCE

Chef & Owner | All Cake Shop

JUNE 2019 - Present, Vancouver, BC

- Started a small business catering cakes and small desserts.
- Marketed my business through Instagram and Facebook.
- Created fancy new desserts in order to attract customers.
- Developed an online presence and a beautiful portfolio to market products.
- Catered to parties of over 200 guests, including corporate events and weddings.

Head Chef | Honeybee Center

NOVEMBER 2019 - MARCH 2020, SURREY, BC

- Responsible for planning and maintaining kitchen preparations.
- Developed a food menu with existing and new food creations.
- Managed kitchen finances, staff, schedules and ordering of the ingredients.

Pastry Chef | Fairmont Pacific Rim

JANUARY 2017 - MARCH 2019, VANCOUVER, BC

- Assisted head chef with cooking/preparing of French desserts for the bakery.
- Managed Giovane kitchen closing duties and setting up for the next day which required clear and meticulous communication.
- Worked in a tightly knit team to deliver the highest standards of culinary experience.

EDUCATION

BrainStation | Diploma Candidate, User Experience Design

SEPT - DEC 2020, VANCOUVER, CA
