EXPERIENCE

Educator | Aladin Childcare

OCT 2019 - PRESENT & SEP 2013 - JUN 2015, OTTAWA, ON

- Reduced the need for outside intervention through the creation of an organized and engaging space for 30 school age children.

Project Manager | Arbaum Architects

MAY 2018 - 2019, OTTAWA, ON

Architectural Technology Intern | APR 2015 - OCT 2015

- Acquired new projects for the firm through the preparation of proposals in response to RFPs.
- Ensured construction stayed on track and true to design through site visits, deficiency reports and change orders.
- Demonstrated a clear and detailed understanding of the clients needs by preparing working drawings used for permit and construction.

Project Clerk | eQ Homes

SEP 2017 - 2018, OTTAWA, ON

- Established an efficient environment by supporting the project management team of a new infill development.
- Prepared RFQs for both consultants and trades

Architectural Intern | Emma Architecten

SEP 2016 - DEC 2016, OTTAWA, ON

- Contributed design work to European adaptive reuse projects resulting in unique spaces for clients.

EDUCATION

BrainStation | Diploma Candidate, User Experience Design

JUN 2020 - SEP 2020, TORONTO, ON

Dalhousie University | BEDS Architecture

JAN 2015 - 2017, HALIFAX, NS

Dean's List Summer 2016

Mount Allison University | BA Psychology, Minor in French

SEP 2007 - 2012, SACKVILLE, NB

SKILLS

Sketch, InVision, Adobe Suite (Photoshop, InDesign, Illustrator), Microsoft Suite (Word, Excel, Powerpoint), Google Drive (Sheets, Docs, Slides, Forms), Autodesk AutoCad, Autodesk Revit, Rhino, SketchUp. Fluent in French and English.

PROFILE

Driven user experience designer who will bring experience in both architecture and psychology to the table. With a strong understanding of scientific research methods and design I am looking to use technology to tackle the challenges the world faces.
