SKILLS

Google Suite, Oracle, Maximo, SAP, Word, Excel, PowerPoint, Westlaw, HeinOnline, Lexis Nexis, TexQuest, SQL, Tableau, Python

PROFILE

I am a knowledgeable, adept information professional with a wide range of skills interested in competitive intelligence and legal analytics. Data Science is a natural extension of the skills I learned through my MLS.

I have found a passion not only for the gathering and organization of information, but also for the processing and insight extraction of data too voluminous for human analysis.

PROFESSIONAL ASSOCIATIONS

American Association of Law Libraries

VOLUNTEER WORK

- Mentor Tech Mentor, Texas Tech University, Aug 2018- NOV 2018
