# LEE BLOCKBERGER

## USER EXPERIENCE DESIGNER

### EXPERIENCE

#### Event Server | Grouse Mountain

JUN 2013 - MAR 2020, VANCOUVER, BC

- Solely responsible for events ranging in size from 4- 40 people.
- Guided temporary staff from other departments, during a large function, swiftly yet clear enough for them to understand and retain the information.
- Maximized and led many efficient 5 course dinners for around 25 people with half usually having some sort of dietary restriction.
- Maintained punctuality and being on time, dressed and ready, an utmost importance.

### EDUCATION

#### BrainStation | Diploma Candidate, User Experience Design

APR 2020 - JUN 2020, VANCOUVER, BC

#### British Columbia Institute of Technology | Associate Certificate

APR 2019 - SEP 2019, VANCOUVER, BC

### PROJECTS

BrainStation week long Design Sprint with RBC- May 11-15, 2020

BrainStation & Earnest Young 3D Hackathon- May 29, 2020

<https://leeblockberger.myportfolio.com/work> | Sole Designer

### SKILLS

Illustrator, Photoshop, Indesign, Acrobat, InVision, Sketch, XD

### PROFILE

Without proper user experience design everyday things you interact with from street signs, emails, and apps on your phone, can cause users small instances of stress. By using the digital tools I've learned over the years, like Photoshop, Illustrator and Sketch, and in combination with smart, well thought-out UX design, my goal to eliminate these outburst of stress for an optimal user experience.
