PROFILE

Hey there! I'm John, a Full Stack Web Developer with a background in Electrical Engineering. After learning about the versatile and creative opportunities in the Web Development Sector, I decided to pursue a career as a Web Developer. After completing BrainStations Web Development program, I am ready to begin this new career path.

EXPERIENCE

Sales Associate | Virgin Mobile

JUN 2019 - AUG 2020, OTTAWA, ON

- Consulted with customers to find the right personal mobile device for their needs
- Demonstrated product and technology knowledge by researching devices and services in order to better sell equipment
- Built familiarity with retail POS and mobile/internet activation systems

Installer/Assistant | Fluent Home

MAY 2017- AUG 2018, CALGARY, AB

- Responsible for assisting with the installation of security cameras in residential homes and businesses
- Assisted in business record keeping and organization by creating spreadsheets
- Ran pick up and delivery for security equipment city-wide

Site Lead | Tommy-k-Play

SEP 2013 - AUG 2014, CALGARY, AB

- Accountable for the safety and organization of activities for children at play

EDUCATION

BrainStation | Diploma Candidate, Web Development

SEP- DEC 2020, ONTARIO, CA

University of Ottawa | Bachelors of Applied Science,
