–

I have an academic and professional background in education management. I am transitioning into the field of web development to broaden my horizons and learn how web design systems have evolved in the management of organizations. I am looking to leverage my experience in management to help businesses showcase the best version of themselves in the digital world.

## EXPERIENCE

---

### Curriculum Consultant | BSWA

JAN 2016 - JAN 2020, KHAIRPUR, PAKISTAN

- Liaised with head teachers and education board members to train staff and devise instructional materials, aligned with the boards Curriculum.

### Mathematics Coordinator | Jaffar Public School

JAN 2015 - DEC 2015, KARACHI, PAKISTAN

- Coordinated with branch heads to inculcate, in the school syllabus and the updated curriculum in the CAIE Examination Board.

### Education Program Officer | BSWA

JUL 2014 - DEC 2014, KHAIRPUR, PAKISTAN

- Supported the under-privileged community by conglomerating the instructional materials with diverse and contemporary-based learning practices via demonstrations in workshops and mock classes.
