PROFILE

Transitioning from dog training to UX Design and using my passion for fostering connections to design user-centered experiences. Refocusing the dog behaviour analysis into applying empathetic strategies to understand the user to create intuitive designs.

SKILLS

Figma, Adobe Illustrator, POP app, Zeplin

EXPERIENCE

Dog Trainer and Handler | #Careytrainsme and Bowen Island Dog Ranch

JUL 2020 - 2023, VANCOUVER, BC

- Understood motivations and behaviours of diverse dog breeds to achieve desired behaviours
- Collaborated with team members to follow the training schedule, leading to the best training results

Marketing and Student Services | Cloud Nine College

JUL 2018 - 2020, VANCOUVER, BC

- Built a solid relationship with agents, increasing the number of agencies working with the school
- Researched students' opinions to improve the school experience
- Designed informative brochures that address students' needs to boost awareness of the school
- Enhanced students' experiences to ensure they had a positive time both in school and in Canada

Customer Service Representative | Shopify

MAR 2018 - 2018, VANCOUVER, BC

- Advised customers on the best solutions using available resources and empathy to solve their issues.

EDUCATION

BrainStation | Diploma, UX Design

JAN 2023 - SEP 2023, VANCOUVER, BC

Instituto Maua de Tecnologia | Bachelors in Food Engineer

JAN 2008 - 2012, SAO PAULO, SP

PROJECTS

UX Research, Design Strategy, UI | [Llamame](#)

MAR 2023, BrainStation

- Completed an app design project on Figma using UX Research and Strategy knowledge to help immigrants form meaningful bonds with others.
