

# LAURA BRENNAN

FULL-STACK WEB DEVELOPER

## EXPERIENCE

### Director | Comment Vivre Ensemble

MAR 2017 - AUG 2019, DUSSAC, FRANCE

- Founded a start-up to create a cultural, artistic, and musical hub in a small village, and to promote local products (particularly craft beer) from regional producers.
- Acted as marketing coordinator, graphic designer, and web developer for all CVE projects.
- Operated a self-built craft beer bar (stocking local beer only), as a cozy space for the community to come together for a pint.

### PA to Directors | Help Musicians UK

JAN 2017 - JAN 2018, LONDON, UK

- Supported three charity Directors in an administrative capacity.
- Spearheaded the digitisation of archival materials in accordance with Europe-wide GDPR data protection laws.

### Bid Support Assistant | Capita plc

OCT 2012 - 2015, LONDON, UK

- Contributed to a variety of multi-million pound bids for government and financial sector contracts.
- Created bespoke templates for supporting bid materials in PowerPoint, InDesign and Word, acting as a junior graphic designer.

## EDUCATION

### BrainStation | Diploma Candidate, Web Development

JAN 2020 - MAR 2020, VANCOUVER, BC

### 23 Code Street | Foundation Course, Web Development

JAN 2019 - APR 2019, LONDON, UK

### San Diego State University | Bachelors in Music Performance, Certification in Information Communication Technology

SEP 2003 - DEC 2007, SAN DIEGO, CA, USA

## PROJECTS

### Bar a Bieres Dussac Website | Lead Front-End Developer

MAY - JULY 2019 | Utilized HTML, CSS, Bootstrap, and worked with a graphic design firm for visual assets, to create a bespoke website for my bar.

## PROFILE

I'm a maker: I build furniture, sew, renovate houses, and create art in various media. I'm constantly making things, and my next big dream is to turn my hand to making beautiful, functional websites that work effortlessly for everybody.

I want to help build an internet that is for everyone, regardless of our differences, that we humans can use to bring about a brighter future.

## SKILLS

Front End: HTML5, CSS, JavaScript, React.js, DOM APIs, Bootstrap

Back End: Node.js, Express.js, Web APIs, User Authentication, OAuth, Postman

Databases: MySQL

Development/Deployment: Heroku, GitHub, WebPack

## LANGUAGES

English (native), French (B1)

## CITIZENSHIPS

Canada, USA, Ireland

# Laura Brennan

Web Dev: 23 Code St, Small Business Owner, Admin Assistant  
@ Capita

## Waste Not

Waste Not is the newest addition to the green Vancouverite's zero-waste toolbox - a platform to connect people who have stuff they don't need, with people who need stuff they don't have. Want to reduce the number of things you throw away, consume more responsibly, and recycle more than just bottles and cans? Check out Waste Not - zero waste, for zero dollars.
