

# BRISHAN KING

## FULL STACK DEVELOPER

### EXPERIENCE

#### Production Assistant | Netflix - Hallmark - Amazon

OCT 2020 - DEC 2021, VANCOUVER, BC

- Facilitated and hosted large film crews (100 to 180~ people) at various locations across the lower mainland. Working closely with my team we aimed to prioritize crew safety while also focusing on minimizing our footprint when on location.
- Mastered being a touchpoint for many different departments, working alone or collaboratively to problem solve daily at each unique location and ensure a smooth day of filming.

#### Server Trainer, Server & Host | Au Comptoir

JAN 2020 - OCT 2020, VANCOUVER, BC

- Accountable for delivering anywhere from 40 to 80+ guests daily with consistent, authentic, and individually tailored French dining service; this included daily/hourly duties and Mise en Place for each concurrent table.
- Responsible for training new hosts and servers on best practices and habits to succeed within Au Comptoir's unique blend of service styles and paces, ranging from fine dining to a bustling Parisian brunch cafe.

#### Shift Leader & Lounge Bartender | Cactus Club Cafe

APR 2017 - JAN 2020, VANCOUVER, BC

- Co-managed and supported a large team (25~35 ppl) consisting of service staff, bartenders and back-of-house team members to optimize for labor percentages, as well as quality food-and-beverage service at the second busiest location in Vancouver - Bentall 5.
- Resolved staffing issues and/or any customer complaints that naturally cropped up during a day, keeping track of these in a nightly log.

### PROJECTS

#### Lead Developer | Sqaush

JAN 2022 - APR 2022, BRAINSTATION

- Designed and developed a responsive web app for tracking bugs across the lifespan of a program's development.

### SKILLS

HTML5, CSS, Javascript, JSX, Sass, MySQL, React, C++, Python, Node.js

### PROFILE

Enthusiastic Junior Full Stack Web Developer transitioning from a career working in the public eye and managing film locations to an industry where I can pursue my passion for technology.

With a history of connecting people, managing diverse teams and working closely as a point of resolve for customers and staff alike, I truly believe that active listening and humility are cornerstones to strong communication.

My drive to be challenged consistently, coupled with my flexible, adaptive nature keeps me excited to dive into new, unfamiliar situations.

Proficient with a wide array of industry standard tools and languages to fit any job, with a knack for picking up new tools and concepts quickly.

### EDUCATION

#### BrainStation | Diploma Candidate, Web Development

JAN 2022 - APR 2022, VANCOUVER, BC

#### Simon Fraser University | Computer Science, 2 years

JAN 2015 - SEPT 2017, VANCOUVER, BC
