EXPERIENCE

Partnership Manager | TriyitUK

JAN 2020 - PRESENT, LONDON, UK

- Accountable for direct client support, with a track of building sustainable relationships.
- Creation, delivery and onboarding of successful client pitches and post campaign reviews

Freelance Senior Project Manager | Elevate Staffing

SEP 2019 - DEC 2019, LONDON, UK

- Client facing role for a Europe-wide UK Government Department for Transport project prior to Brexit delivering key communications and collecting/analysing responses.
- From a data collection/collation and tech perspective, I was responsible for the timely delivery of internal and external reports and maintenance of the risk register.
- Played a key role in the design, maintenance and accuracy of client facing reporting dashboard

Senior Project Manager | Elastic Productions Ltd

DEC 2017 - JUL 2018, LONDON, UK

- Accountable for client contact, pitch creation, exploratory analysis of group data to create sales products, internal business unit set up and management
- Interviewed and hired a project manager as my line support
- Alongside a skeleton team of Commercial Director and Head of Sales we generated £1.5m revenue in 18 months from start up.
- Clients included Diageo, Heineken, William Grant, LVMH, Remy Cointreau

Project Manager | Elastic Productions Ltd

DEC 2017 - JUL 2018, LONDON, UK

- Accountable for the same as above due to nature of start up
- Promotion achieved after business unit viability was established

Account Executive | BD Network

MAR 2016 - OCT 2017, LONDON, UK

- Responsible for day to day client management across a vast array of clients from different sectors.
- Mainly responsible for briefing and costing client requests.

SKILLS

Python, SQL, Hadoop, Google Analytics, GitHub, Tableau, Power BI, Advanced Excel, Project Management

PROFILE

My dream is to leverage data & insights to drive business forward, inform business decisions, generate additional income or solve key problems.
