### SKILLS

HTML5, Git ,my SQL, CSS, SASS

JavaScript,,Knex.js, React.js,

Node.js

### PROFILE

Hi I'm David! I was born on the island of Barbados in the Caribbean. After living in sandy paradise for 10 years I slowly moved north west and now call Beautiful British Columbia my home. I took an interest in web design to build an online portfolio for my photography. My experience with technology and customer service has led to a passion for customer centric software solutions.
