PROFILE

My aspiration is to pursue a career as a data scientist within a dynamic and intellectually stimulating environment. I thrive on confronting diverse intellectual challenges that push me to continuously improve and expand my knowledge. With my bicultural background, I bring a unique perspective that enables me to effectively collaborate with global teams. Furthermore, my passion for travel fuels my desire to contribute to the growth and expansion of businesses across borders.

SKILLS

C, Java, SQL, Python, R, Hypothesis Testing, Parametric and non-Parametric tests, Tableau, Matplotlib, Plotly, Machine Learning in scikit-learn, Tensorflow, Keras, Pytorch, AWS, Hadoop, Spark, Hive, Docker, EXCEL, Bilingual: Spanish and English.

PROJECTS

Capstone Project: Network Intrusion Detection using Machine Learning | BrainStation Bootcamp

MAY 2023 - AUG 2023

- Preprocessed and cleaned large-scale PCAP datasets, extracting relevant features and optimizing data quality for model training.
- Presented the capstone project to a panel of industry professionals, showcasing the model's effectiveness and its potential applications in network security.

Team Member | 24-hour BrainStation Hackathon partnered with Google

JULY 2023, Online

- Collaborated in designing, analyzing, and developing a cutting-edge data science framework to address Google's problem statement: "How to earn back the trust of users for AI-backed products."
- Engaged in cross-functional teamwork, collaborating closely with members from diverse disciplines to ensure a holistic approach to the solution.

EXPERIENCE

Store Clerk | Pet Supplies Plus

AUG 2019 - JAN 2020, WESTON, FL, USA

- Operated cash registers and processed customer payments accurately, ensuring smooth financial transactions and minimizing errors.
- Responded to customer inquiries, addressed concerns, and resolved issues promptly and professionally, fostering positive customer relationships and loyalty.
- Actively contributed to a positive team environment by communicating effectively with colleagues and supporting them in daily tasks.

Uber Driver | Uber

JAN 2018 - JUL 2019, ORLANDO, FL, USA

- Assisted passengers with entering and exiting vehicles, offering courteous and helpful support to ensure a smooth and comfortable ride.
- Demonstrated a strong knowledge of local routes, landmarks and attractions, offering helpful insights and recommendations to enhance the passenger experience.

EDUCATION

BrainStation | Data Science Bootcamp

MAY 2023 - AUG 2023, NEW YORK, NY

- Completed 12 week **Data Science** bootcamp, learning the Data Science process

University of Central Florida

JUN 2017 - 2019, ORLANDO, FL

- Completed 25 credits towards a **BA in Computer Science**.
