haidarade94.github.io/mywebsite/

I love telling stories about numbers. This led me to further my education from just finance and economics into data science and visual storytelling. With my leadership experience, I hope to make impactful decisions where I work.

## EXPERIENCE

---

### Business Analyst | HuCap

Nov 2018 - Nov 2020, GTA Ontario

- Built pricing and operations model from the ground up. Was tasked to differentiate the project from competitors based on value and price.
- Demonstrated senior leadership qualities. Responsible for several departments and for dashboards for shareholders.
