EXPERIENCE

Loss Prevention Officer | Old Navy

JUL 2020 - 2021, Homestead, FL

- Boosted sales and customer satisfaction as a cashier by proactively engaging with customers.
- Reduced shrinkage and theft by proactively monitoring and patrolling the sales floor and backrooms. Through providing staff training, I achieved a 20% reduction in shrinkage.

EDUCATION

BrainStation | Diploma, Software Engineering

MAY 2023 - JUN 2023, Homestead, FL

- Cultivated the skills to hone-in on building responsive and dynamic websites whilst learning front-end and back-end programming languages.
- Experimented by applying my abilities to create a personal project and implementing collaborative prowess to complete group projects.

BrainStation | Certificate, Web Development

JUN 2022 - AUG 2022, Remote

- Developed the foundational skills to build and create captivating and responsive websites using programming languages such as HTML & CSS.
- Comprehended programming languages and developed a personal project to define the expertise of one's skill measure.

Miami Dade College | Associate of Arts, Major in Psychology

JUN 2018 - JUN 2022, Homestead, FL

- College Credit Certificate in General Business

PROJECTS

Secondary Coder & Researcher | BrainStation

May 2023, HACKATHON

- Built a Dungeons and Dragon character generator website using frontend and backend programming languages such as HTML, CSS, Javascript, Python and React..
